A penguin arrives in a package at their front door every day for 365 days. As the family travels through the year, they work through math problems to figure out how much food is necessary, where to put the penguins, and how to keep them together.

365 Penguins - Walmart.com - Walmart.com

The family in 365 Penguins finds a penguin mysteriously delivered to their door every day for a year. At first they're cute, but with every passing day, the penguins pile up—along with the family's problems. Feeding, cleaning, and housing the penguins becomes a monumental task. They're noisy and smelly, and they always hog the bathroom!
