American Dream Definition - investopedia.com

The American Dream is the idea that the government should protect each person's opportunity to pursue their idea of happiness. The government protects the rights of you and every other American citizen to find their path to economic prosperity. Unlike many other countries, you are not required to follow your father's profession.

What Is the American Dream: History, Quotes

The father, a motivational speaker, believes wholeheartedly in the American Dream. He teaches the meritocratic nature of America, despite the fact that it hasn't worked for him yet. Unlike the traditional American Dream films, this one does not focus on success after a life of struggles but teaches you to accept failure as a possible result.

I am pleased to report that the American dream is alive and well for an overwhelming majority of Americans. This claim might sound far-fetched given the cultural climate in the United States today....

Do You Think the American Dream Is Real? - The New York Times

The American Dream is a phrase that means many things to many different people: freedom, opportunity, personal liberty, progress, upward mobility, wealth, fame, or a single family home in the suburbs with two cars in the garage.

The American Dream: A Cultural History by Lawrence R. Samuel

His version of the American dream ended up including slaves as a supporting cast. For others, such as George Washington, who emancipated his slaves, the American dream guaranteed freedom for all men, including slaves. The burgeoning country was founded on this paradox in which ideals came up against convenience.

Differing Versions of the American Dream - Cultural Weekly

The phrase The American Dream is so commonplace today as to have become clichéd. It is often used in book titles, news articles, politics, and popular culture to loosely refer to the core American ideals.
