Malignant (Black Market DNA, #2) by Anthony J. Melchiorri

Black Market with Michael K. Williams is a television series that airs on VICELAND, and is hosted by Michael K. Williams. The series features Williams journeying into the dangerous world of illicit trade. In the first season, Williams hangs out with thieves, poachers, drug users, gun runners, and possible killers to learn why crime pays for them.

Black Market with Michael K. Williams - Wikipedia

Melchiorri's world, in which black market genetic enhancements become a major crime racket, is similar to the world presented by many novels about drug runners and the like. Although the nature of the criminal activity is relatively unique, the avarice and darkness of humanity is the same as that of any criminal underworld.
