The Definitive Handbook of Business Continuity Management ...

The definitive handbook of business continuity management. [Andrew Hiles:] -- This edited work provides comprehensive conceptual and practical guidance for managers and businesses who want to establish a strategy for protecting their organisation from disruption and disaster. ...

The definitive handbook of business continuity management ...

Add to that a section on business continuity planning in Asia, indeed necessary in this age of globalization and outsourcing, and a glossary of the most used terms in BCM. What impresses me too is the 42-page keyword index, leaving practically nothing uncovered. In conclusion: a very comprehensive, but maybe not definitive handbook.
