In this volume, experts on Latin American public opinion and political behavior employ region-wide public opinion studies, elite surveys, experiments, and advanced statistical methods to reach several key conclusions about voting behavior in the region's emerging democracies. In Latin...

The Latin American Voter: Pursuing Representation and ...

Latin America's third wave of democracy has witnessed more than three hundred presidential and legislative elections.¹ Securing this fundamental political right is a monumental accomplishment because free and fair elections are the sine qua non of modern democracy (Dahl 1971). Elections alone are not sufficient for high-quality democracy; achieving political representation and accountability ...
